Dear Supervisors:

## ADOPTED

BOARD OF SUPERVISORS  
COUNTY OF LOS ANGELES

30 July 16, 2013

*Sachi A. Hamai*  
SACHI A. HAMAI  
EXECUTIVE OFFICER

### **APPROVAL OF CONTRACT FOR THE LEASE OF A HELITANKER (ALL DISTRICTS) (3 VOTES)**

#### **SUBJECT**

The Consolidated Fire Protection District of Los Angeles County (District) is seeking Board approval for a contract with Erickson Air-Crane, Inc. (Erickson) for the lease of an FAA-certified standard transport category S-64 air-crane rotary wing heavy-lift Helitanker (Helitanker). The initial term of the contract will be for three (3) years.

#### **IT IS RECOMMENDED THAT THE BOARD ACTING AS THE GOVERNING BODY OF THE CONSOLIDATED FIRE PROTECTION DISTRICT**

1. Approve and instruct the Chairman to sign a contract (Attachment A) to be effective upon Board approval, between the District and Erickson for the lease of a Helitanker. The initial term of the contract will be for three (3) years, with two (2) one-year extensions, not to exceed a total possible contract term of five (5) years.
2. Authorize the total contract expenditure for the first three (3) years and two (2) one year extension options in the amount not to exceed \$3,300,000 per year for a total of \$16,500,000. This expenditure represents a portion of the Board-approved overall authority of \$5,300,000 annually for the District's Contract Air Program.
3. Authorize the Fire Chief, or his designee, to negotiate the annual daily rate for each of the contract lease years, if required funding is available.
4. Delegate authority to the Fire Chief, or his designee, to amend, suspend, and/or terminate the

contract, if deemed necessary, in accordance with the approved contract terms and conditions. In addition, delegate authority to the Fire Chief, or his designee, to exercise the extensions as described in paragraph two (2) above.

5. Find that this contract is exempt from the provisions of the California Environmental Quality Act (CEQA).

### **PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION**

The purpose of the recommended actions are to enable the District to continue an annual lease of a Helitanker. The District augments its existing dual-purpose helicopters with initial attack aircraft solely dedicated to wildland firefighting operations. The District has been utilizing an exclusive use Helitanker as unpredictable weather conditions dictate the need for increased water-dropping capability during the annual brush fire season that begins July 1 and extends through December 31. The District's existing helicopter fleet is designed to handle most wildland fires that occur during the remainder of the year when weather conditions are not as severe. The Helitanker has a 2,000-gallon self filling fixed tank, a water cannon, and a patented sea snorkel pump system that is capable of using bodies of water that are only a minimum 18" deep. These unique features enable the Helitanker to hydraulically draft water and immediately return to the fire.

Erickson currently provides the lease of a Helitanker to the District under a contract approved by your Honorable Board in 2008. Erickson has maintained a proven performance record during that period.

### **Implementation of Strategic Plan Goals**

Approval of the recommended actions is consistent with the County's Strategic Plan Goal 1, Operational Effectiveness, and Goal 3, Integrated Service Delivery. The continuation of this lease will aid the District in its efforts to ensure the safety and security of individuals, families, businesses, and communities through fire suppression activities. Erickson has the expertise to provide these services efficiently, timely, and in a responsive manner that will support the District in meeting these goals.

### **FISCAL IMPACT/FINANCING**

The proposed contract expenditure for the District is \$3,300,000 annually. Sufficient funding is available in the District's Fiscal Year (FY) 2013-14 Adopted Budget. There is no impact on net County cost.

### **FACTS AND PROVISIONS/LEGAL REQUIREMENTS**

The District is authorized to contract for these services under California Health and Safety Code Section 13861 and Government Code Section 31000. Erickson's bid was accepted based on its qualifications, experience, and willingness to comply with County and District ordinances and policies. Erickson complies with all Board requirements and will not be expected to perform services that exceed the contract sum, scope of work, or term.

#### **Lease Provisions**

This will be an exclusive use lease contract with Erickson. This contract is being established due to

the critical fire weather and fuel conditions that exist in the Los Angeles County during the annual fire season. The dates of availability of the Helitanker are for an initial period of 120 consecutive days. The contract allows for the annual duration of the Helitanker lease to be amended based on fire weather, fuel conditions, and/or fire activity.

The contract includes provisions for negotiation of the hourly flight rate and daily rate. The hourly flight rate is adjusted on the published hourly rate by the United States Department of Agriculture (USDA), United States Forest Service (USFS), applicable to the S-64 helicopter, as adjusted by the USDA/USFS throughout the term of the contract. The daily rate shall be negotiated annually between Erickson and the District. The FY 2013-14 lease rate for the Helitanker (Attachment B) is as follows:

Daily lease rate: \$23,360.00

The contract has been signed by Erickson and reviewed and approved as to form by County Counsel. On final analysis and consideration of the award, this vendor was selected without regard to race, color, creed, or national origin.

## **ENVIRONMENTAL DOCUMENTATION**

The services provided through this proposed contract will not have a significant effect on the environment and, therefore, is exempt from CEQA, pursuant to Section 15061 (b) (3) of the CEQA Guidelines.

## **CONTRACTING PROCESS**

On March 25, 2013, the District released an Invitation for Bids (IFB) to solicit qualified vendors capable of providing a leased Helitanker to the District. In addition to posting the announcement on the County's WebVen, advertisements were placed in three (3) local community newspapers. Eighty-four (84) vendors were identified on the Los Angeles County Bid Website and automatically notified via e-mail, thereby maximizing the outreach to bidders. One (1) vendor submitted a bid: Erickson.

The bid evaluation consisted of two elements: 1) meeting all of the minimum requirements while providing the necessary documentation, and 2) providing the lowest priced responsible bid. Since Erickson was the only bidder, it presented the lowest cost, responsive and responsible bid. The local Small Business Enterprise (SBE) program's provisions were included in the IFB. Erickson was not certified as a local SBE vendor; therefore, the local SBE credit was not applied in the IFB's evaluation process.

Erickson currently provides the lease of a Helitanker to the District through a contract approved by your Honorable Board in 2008. The District has evaluated and determined that Erickson complies with the District's policy of compliance with the Community Business Enterprises Program (Attachment C), Child Support Compliance Program, Contractor's Responsibility and Debarment Program, Safely Surrendered Baby Law, Contractor Employee Jury Services Program, and agrees to maintain compliance with all terms and conditions throughout the term of the contract. The District has reviewed the Better Business Bureau (BBB) and the State's business license websites to assess Erickson's past performances and finds that Erickson does not have any current violations or

complaints and is A+ rated by the BBB. Erickson was evaluated and deemed capable of providing the lease requested, based on qualifications and experience as stated in its bid and as demonstrated in a prior contract with the District.

Erickson presented an exception to the contract. After concurrence from the Chief Executive Office, Risk Management, the District has decided to add the following language exception to the contract:

Contract, 8.24.15, Limitation of Liability

“Each party shall not have any liability or obligation for loss of use, delay or loss of business, revenue or profit with respect to the services provided or contemplated under the Contract nor for any other liquidated, incidental, special, consequential or indirect damages whatsoever and howsoever caused.”

Although the District has agreed to a limitation of liability, it does apply to both the contractor and the District. The increased exposure to loss is further mitigated by the limitation of liability not being applicable to any bodily injury or property damage that may occur because of this agreement. The limitation applies to losses that are not generally experienced in County operations. This contract is submitted to your Board for approval with the District's belief that the limitation of liability represents a minimal risk position for the District.

This is not a Proposition A Contract, therefore, it is exempt from the Living Wage Program (County Code Chapter 2.201).

### **IMPACT ON CURRENT SERVICES (OR PROJECTS)**

There will be no significant impact on current services as there will be no displacement of any County employees. The lease of the Helitanker is currently contracted with Erickson, therefore, the contract will not result in a reduction of service.

### **CONCLUSION**

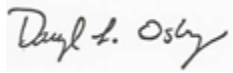

Upon approval by your Honorable Board, the District requests the Executive Office of the Board notify the District's Contract Administrator, Lucy Guadiana, at (323) 838-2275 when the documents become available.

## **8.2 ASSIGNMENT AND DELEGATION**

- 8.2.1 The Contractor shall not assign its rights or delegate its duties under this Contract, or both, whether in whole or in part, without the prior written consent of District, in its discretion, and any attempted assignment or delegation without such consent shall be null and void. For purposes of this sub-paragraph, District consent shall require a written amendment to the Contract, which is formally approved and executed by the parties. Any payments by the District to any approved delegate or assignee on any claim under this Contract shall be deductible, at District's sole discretion, against the claims, which the Contractor may have against the District.
- 8.2.2 Shareholders, partners, members, or other equity holders of Contractor may transfer, sell, exchange, assign, or divest themselves of any interest they may have therein. However, in the event any such sale, transfer, exchange, assignment, or divestment is effected in such a way as to give majority control of Contractor to any person(s), corporation, partnership, or legal entity other than the majority controlling interest therein at the time of execution of the Contract, such disposition is an assignment requiring the prior written consent of District in accordance with applicable provisions of this Contract.
- 8.2.3 Any assumption, assignment, delegation, or takeover of any of the Contractor's duties, responsibilities, obligations, or performance of same by any entity other than the Contractor, whether through assignment, subcontract, delegation, merger, buyout, or any other mechanism, with or without consideration for any reason whatsoever without District's express prior written approval, shall be a material breach of the Contract which may result in the termination of this Contract. In the event of such termination, District shall be entitled to pursue the same remedies against Contractor as it could pursue in the event of default by Contractor.

## **8.3 AUTHORIZATION WARRANTY**

The Contractor represents and warrants that the person executing this Contract for the Contractor is an authorized agent who has actual authority to bind the Contractor to each and every term, condition, and obligation of this Contract and that all requirements of the Contractor have been fulfilled to provide such actual authority.

#### **8.4 BUDGET REDUCTIONS**

In the event that the District's Board of Supervisors adopts, in any fiscal year, a District Budget which provides for reductions in the salaries and benefits paid to the majority of District employees and imposes similar reductions with respect to District Contracts, the District reserves the right to reduce its payment obligation under this Contract correspondingly for that fiscal year and any subsequent fiscal year during the term of this Contract (including any extensions), and the services to be provided by the Contractor under this Contract shall also be reduced correspondingly. The District's notice to the Contractor regarding said reduction in payment obligation shall be provided within thirty (30) calendar days of the Board's approval of such actions. Except as set forth in the preceding sentence, the Contractor shall continue to provide all of the services set forth in this Contract.

#### **8.5 COMPLAINTS**

The Contractor shall develop, maintain and operate procedures for receiving, investigating and responding to complaints.

- 8.5.1 Within ten (10) business days after Contract effective date, the Contractor shall provide the District with the Contractor's policy for receiving, investigating and responding to user complaints.
- 8.5.2 The District will review the Contractor's policy and provide the Contractor with approval of said plan or with requested changes.
- 8.5.3 If the District requests changes in the Contractor's policy, the Contractor shall make such changes and resubmit the plan within five (5) business days for District approval.
- 8.5.4 If, at any time, the Contractor wishes to change the Contractor's policy, the Contractor shall submit proposed changes to the District for approval before implementation.
- 8.5.5 The Contractor shall preliminarily investigate all complaints and notify the District's Project Manager of the status of the investigation within five (5) business days of receiving the complaint.
- 8.5.6 When complaints cannot be resolved informally, a system of follow-through shall be instituted which adheres to formal plans for specific actions and strict time deadlines.
- 8.5.7 Copies of all written responses shall be sent to the District's Project Manager within three (3) business days of mailing to the complainant.

#### **8.6 COMPLIANCE WITH APPLICABLE LAW**

- 8.6.1 In the performance of this Contract, Contractor shall comply with all applicable Federal, State and local laws, rules, regulations, ordinances, directives, guidelines, policies and procedures, and all provisions required thereby to be included in this Contract are hereby incorporated herein by reference.
- 8.6.2 Contractor shall indemnify, defend, and hold harmless District, its officers, employees, and agents, from and against any and all claims, demands, damages, liabilities, losses, costs, and expenses, including, without limitation, defense costs and legal, accounting and other expert, consulting or professional fees, arising from, connected with, or related to any failure by Contractor, its officers, employees, agents, or subcontractors, to comply with any such laws,

rules, regulations, ordinances, directives, guidelines, policies, or procedures, as determined by District in its sole judgment. Any legal defense pursuant to Contractor's indemnification obligations under this Paragraph 8.6 shall be conducted by Contractor and performed by counsel selected by Contractor and approved by District. Notwithstanding the preceding sentence, District shall have the right to participate in any such defense at its sole cost and expense, except that in the event Contractor fails to provide District with a full and adequate defense, as determined by District in its sole judgment, District shall be entitled to retain its own counsel, including, without limitation, County Counsel, and reimbursement from Contractor for all such costs and expenses incurred by District in doing so. Contractor shall not have the right to enter into any settlement, agree to any injunction or other equitable relief, or make any admission, in each case, on behalf of District without District's prior written approval.

#### **8.7 COMPLIANCE WITH CIVIL RIGHTS LAWS**

The Contractor hereby assures that it will comply with Subchapter VI of the Civil Rights Act of 1964, 42 USC Sections 2000 (e) (1) through 2000 (e) (17), to the end that no person shall, on the grounds of race, creed, color, sex, religion, ancestry, age, condition of physical handicap, marital status, political affiliation, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under this Contract or under any project, program, or activity supported by this Contract. The Contractor shall comply with Exhibit C - Contractor's EEO Certification.

#### **8.8 COMPLIANCE WITH THE COUNTY'S JURY SERVICE PROGRAM**

##### **8.8.1 Jury Service Program:**

This Contract is subject to the provisions of the County's ordinance entitled Contractor Employee Jury Service ("Jury Service Program") as codified in Sections 2.203.010 through 2.203.090 of the Los Angeles County Code, a copy of which is attached as Exhibit G and incorporated by reference into and made a part of this Contract.

##### **8.8.2 Written Employee Jury Service Policy.**

1. Unless the Contractor has demonstrated to the District's satisfaction either that the Contractor is not a "Contractor" as defined under the Jury Service Program (Section 2.203.020 of the County Code) or that the Contractor qualifies for an exception to the Jury Service Program (Section 2.203.070 of the County Code), the Contractor shall have and adhere to a written policy that provides that its Employees shall receive from the Contractor, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that Employees deposit any fees received for such jury service with the Contractor or that the Contractor deduct from the Employee's regular pay the fees received for jury service.
2. For purposes of this sub-paragraph, "Contractor" means a person, partnership, corporation or other entity which has a contract with the District or a subcontract with a District Contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more District contracts or subcontracts. "Employee" means

any California resident who is a full-time employee of the Contractor. "Full-time" means 40 hours or more worked per week, or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by the District, or 2) Contractor has a long-standing practice that defines the lesser number of hours as full-time. Full-time employees providing short-term, temporary services of 90 days or less within a 12-month period are not considered full-time for purposes of the Jury Service Program. If the Contractor uses any Subcontractor to perform services for the District under the Contract, the Subcontractor shall also be subject to the provisions of this sub-paragraph. The provisions of this sub-paragraph shall be inserted into any such subcontract agreement and a copy of the Jury Service Program shall be attached to the agreement.

3. If the Contractor is not required to comply with the Jury Service Program when the Contract commences, the Contractor shall have a continuing obligation to review the applicability of its "exception status" from the Jury Service Program, and the Contractor shall immediately notify the District if the Contractor at any time either comes within the Jury Service Program's definition of "Contractor" or if the Contractor no longer qualifies for an exception to the Jury Service Program. In either event, the Contractor shall immediately implement a written policy consistent with the Jury Service Program. The District may also require, at any time during the Contract and at its sole discretion, that the Contractor demonstrate to the District's satisfaction that the Contractor either continues to remain outside of the Jury Service Program's definition of "Contractor" and/or that the Contractor continues to qualify for an exception to the Program.
4. Contractor's violation of this sub-paragraph of the Contract may constitute a material breach of the Contract. In the event of such material breach, District may, in its sole discretion, terminate the Contract and/or bar the Contractor from the award of future District contracts for a period of time consistent with the seriousness of the breach.

## **8.9 CONFLICT OF INTEREST**

- 8.9.1 No District employee whose position with the District enables such employee to influence the award of this Contract or any competing Contract, and no spouse or economic dependent of such employee, shall be employed in any capacity by the Contractor or have any other direct or indirect financial interest in this Contract. No officer or employee of the Contractor who may financially benefit from the performance of work hereunder shall in any way participate in the District's approval, or ongoing evaluation, of such work, or in any way attempt to unlawfully influence the District's approval or ongoing evaluation of such work.
- 8.9.2 The Contractor shall comply with all conflict of interest laws, ordinances, and regulations now in effect or hereafter to be enacted during the term of this Contract. The Contractor warrants that it is not now aware of any facts that create a conflict of interest. If the Contractor hereafter becomes aware of any facts that might reasonably be expected to create a conflict of interest, it shall immediately make full written disclosure of such facts to the District. Full written

disclosure shall include, but is not limited to, identification of all persons implicated and a complete description of all relevant circumstances. Failure to comply with the provisions of this sub-paragraph shall be a material breach of this Contract.

**8.10 CONSIDERATION OF HIRING COUNTY EMPLOYEES TARGETED FOR LAYOFF/OR RE-EMPLOYMENT LIST**

Should the Contractor require additional or replacement personnel after the effective date of this Contract to perform the services set forth herein, the Contractor shall give first consideration for such employment openings to qualified, permanent County employees who are targeted for layoff or qualified, former District employees who are on a re-employment list during the life of this Contract.

**8.11 CONSIDERATION OF HIRING GAIN/GROW PROGRAM PARTICIPANTS**

8.11.1 Should the Contractor require additional or replacement personnel after the effective date of this Contract, the Contractor shall give consideration for any such employment openings to participants in the County's Department of Public Social Services Greater Avenues for Independence (GAIN) Program or General Relief Opportunity for Work (GROW) Program who meet the Contractor's minimum qualifications for the open position. For this purpose, consideration shall mean that the Contractor will interview qualified candidates. The District will refer GAIN/GROW participants by job category to the Contractor.

8.11.2 In the event that both laid-off County employees and GAIN/GROW participants are available for hiring, County employees shall be given first priority.

**8.12 CONTRACTOR RESPONSIBILITY AND DEBARMENT**

**8.12.1 Responsible Contractor**

A responsible Contractor is a Contractor who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform the contract. It is the District's policy to conduct business only with responsible Contractors.

**8.12.2 Chapter 2.202 of the County Code**

The Contractor is hereby notified that, in accordance with Chapter 2.202 of the County Code, if the District acquires information concerning the performance of the Contractor on this or other contracts which indicates that the Contractor is not responsible, the District may, in addition to other remedies provided in the Contract, debar the Contractor from bidding or proposing on, or being awarded, and/or performing work on District contracts for a specified period of time, which generally will not exceed five years but may exceed five years or be permanent if warranted by the circumstances, and terminate any or all existing Contracts the Contractor may have with the District.

**8.12.3 Non-responsible Contractor**

The District may debar a Contractor if the Board of Supervisors finds, in its discretion, that the Contractor has done any of the following: (1) violated a term of a contract with the District or a nonprofit corporation created by the District, (2) committed an act or omission which negatively reflects on the Contractor's quality, fitness or capacity to perform a contract with the District,

any other public entity, or a nonprofit corporation created by the District, or engaged in a pattern or practice which negatively reflects on same, (3) committed an act or offense which indicates a lack of business integrity or business honesty, or (4) made or submitted a false claim against the District or any other public entity.

#### **8.12.4 Contractor Hearing Board**

1. If there is evidence that the Contractor may be subject to debarment, the District will notify the Contractor in writing of the evidence which is the basis for the proposed debarment and will advise the Contractor of the scheduled date for a debarment hearing before the Contractor Hearing Board.
2. The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. The Contractor and/or the Contractor's representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board shall prepare a tentative proposed decision, which shall contain a recommendation regarding whether the Contractor should be debarred, and, if so, the appropriate length of time of the debarment. The Contractor and the District shall be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board of Supervisors.
3. After consideration of any objections, or if no objections are submitted, a record of the hearing, the proposed decision, and any other recommendation of the Contractor Hearing Board shall be presented to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.
4. If a Contractor has been debarred for a period longer than five (5) years, that Contractor may after the debarment has been in effect for at least five (5) years, submit a written request for review of the debarment determination to reduce the period of debarment or terminate the debarment. The District may, in its discretion, reduce the period of debarment or terminate the debarment if it finds that the Contractor has adequately demonstrated one or more of the following: (1) elimination of the grounds for which the debarment was imposed; (2) a bona fide change in ownership or management; (3) material evidence discovered after debarment was imposed; or (4) any other reason that is in the best interests of the District.
5. The Contractor Hearing Board will consider a request for review of a debarment determination only where (1) the Contractor has been debarred for a period longer than five (5) years; (2) the debarment has been in effect for at least five (5) years; and (3) the request is in writing, states one or more of the grounds for reduction of the debarment period or termination of the debarment, and includes supporting documentation. Upon receiving an appropriate request, the Contractor Hearing Board will provide notice of the hearing on the request. At the hearing, the Contractor Hearing Board shall conduct a

hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing shall be conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedures as for a debarment hearing.

6. The Contractor Hearing Board's proposed decision shall contain a recommendation on the request to reduce the period of debarment or terminate the debarment. The Contractor Hearing Board shall present its proposed decision and recommendation to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

The Contractor understands that it is the District's policy to encourage all District Contractors to voluntarily post the County's "Safely Surrendered Baby Law" poster in a prominent position at the Contractor's place of business. The Contractor will also encourage its Subcontractors, if any, to post this poster in a prominent position in the Subcontractor's place of business. 8.14.2 As required by the County's Child Support Compliance Program (County Code Chapter 2.200) and without limiting the Contractor's duty under this Contract to comply with all applicable provisions of law, the Contractor warrants that it is now in compliance and shall during the term of this Contract maintain in compliance with employment and wage reporting requirements as required by the Federal Social Security Act (42 USC Section 653a) and California Unemployment Insurance Code Section 1088.5, and shall implement all lawfully served Wage and Earnings Withholding Orders or Child Support Services Department Notices of Wage and Earnings Assignment for Child, Family or Spousal Support, pursuant to Code of Civil Procedure Section 706.031 and Family Code Section 5246(b).

### **8.15 DISTRICT'S QUALITY ASSURANCE PLAN**

The District or its agent will evaluate the Contractor's performance under this Contract on not less than an annual basis. Such evaluation will include assessing the Contractor's compliance with all Contract terms

and conditions and performance standards. Contractor deficiencies which the District determines are severe or continuing and that may place performance of the Contract in jeopardy if not corrected will be reported to the Board of Supervisors. The report will include improvement/corrective action measures taken by the District and the Contractor. #### **8.16 DAMAGE TO DISTRICT FACILITIES, BUILDINGS OR GROUNDS**

8.16.1 The Contractor shall repair, or cause to be repaired, at its own cost, any and all damage to District facilities, buildings, or grounds caused by the Contractor or employees or agents of the Contractor. Such repairs shall be made immediately after the Contractor has become aware of such damage, but in no event later than thirty (30) days after the occurrence.

The Contractor shall obtain, from all employees performing work hereunder, all verification and other documentation of employment eligibility status required by Federal and State statutes and regulations including, but not limited to, the Immigration Reform and Control Act of 1986, (P.L. 99-603), or as they currently exist and as they may be hereafter amended. #### **8.18 FACSIMILE REPRESENTATIONS**

The District and the Contractor hereby agree to regard facsimile representations of original signatures of authorized officers of each party, when appearing in appropriate places on the Amendments prepared pursuant to sub-paragraph 8.1, and received via communications facilities, as legally sufficient evidence that such original signatures have been affixed to Amendments to this Contract, such that the parties need not follow up facsimile transmissions of such documents with subsequent (non-facsimile) transmission of "original" versions of such documents.

## **8.20 FORCE MAJEURE**

- 8.20.1 Neither party shall be liable for such party's failure to perform its obligations under and in accordance with this Contract, if such failure arises out of fires, floods, epidemics, quarantine restrictions, other natural occurrences, strikes, lockouts (other than a lockout by such party or any of such party's subcontractors), freight embargoes, or other similar events to those described above, but in every such case the failure to perform must be totally beyond the control and without any fault or negligence of such party (such events are referred to in this sub-paragraph as "force majeure events").
- 8.20.2 Notwithstanding the foregoing, a default by a subcontractor of Contractor shall not constitute a force majeure event, unless such default arises out of causes beyond the control of both Contractor and such subcontractor, and without any fault or negligence of either of them. In such case, Contractor shall not be liable for failure to perform, unless the goods or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit Contractor to meet the required performance schedule. These minimum insurance coverage terms, types and limits (the "Required Insurance") also are in addition to and separate from any other contractual obligation imposed upon Contractor pursuant to this Contract.
